

Seminar 1

Date and Time	5 November 2021, 04.30-05.30 pm
Speaker	Prof.Dr. Eda Tahir Turanlı
Speaker Information	Acıbadem University, Head of Molecular Biology and Genetics Department
Topic	Genetics of Multiple Sclerosis
Zoom Link	

Seminar 2

Date and Time	19 November 2021, 04.00-05.00 pm
Speaker	Dr. Hasan Yazıcı
Speaker Information	İstanbul University, Cerrahpaşa Faculty of Medicine, Retired Lecturer
Topic	Aşırma (İntihal, Plagiarism)
Zoom Link	https://zoom.us/j/95266518053

Seminar 3

Date and Time	26 November 2021, 04.00-05.00 pm
Speaker	Assoc. Prof. Pınar Obakan Yerlikaya
Speaker Information	Biruni University, Head of Biomedical Engineering Department - Vice Dean
Topic	Epibrassinolide: Not Just for Plants Anymore
Zoom Link	https://zoom.us/j/92478892382

Seminar 4

Date and Time	3 December 2021, 04.00-05.00 pm
Speaker	Assoc. Prof. Ceren Çıracı
Speaker Information	Istanbul Technical University, Department of Molecular Biology and Genetics
Topic	NOD-like Receptors in Shaping Adaptive and Innate Immune Responses
Zoom Link	https://zoom.us/j/96704451755

Seminar 5

Date and Time	9 December 2021, 02.00-03.00 pm (ACU RESEARCH TALKS & ACUMBG)
Speaker	Prof. Dr. Kamran Ghaedi
Speaker Information	Department of Cell and Molecular Biology and Microbiology, Faculty of Biological Science and Technology, University of Isfahan, Isfahan, Iran
Topic	FNDC5: A Novel Factor with Diverse Activities
Zoom Link	https://zoom.us/j/94043336160

Seminar 6

Date and Time	10 December 2021, 04.00-05.00 pm
Speaker	Dr. Melis Kant
Speaker Information	National Institute of Standards and Technology (NIST)
Topic	Ion-Beam Radiation to DNA As Related to The Use of Heavy Ions and Protons in Cancer Therapy
Zoom Link	https://zoom.us/j/97742337152

Seminar 7

Date and Time	17 December 2021, 04.00-05.00 pm
Speaker	Dr. Dorien Maas
Speaker Information	The Institute of Psychiatry and Neuroscience of Paris
Topic	Myelination in Schizophrenia
Zoom Link	https://zoom.us/j/96388751218

Seminar 8

Date and Time	07 January 2022, 04.00-05.00 pm
Speaker	Dr. Perinur Bozaykut Eker
Speaker Information	Acıbadem University, Department of Molecular Biology and Genetics
Topic	Molecular Mechanisms of Aging and Aging-Related Therapies
Zoom Link	https://zoom.us/j/93058791605
