

ACIBADEM
UNIVERSITY

1st International Acibadem Hematoimmunology Symposium

from Diagnosis to Therapy

2-3 May 2024

Acibadem University, İstanbul

2 May, Thursday

09:00 - 09:30

Opening Session

Prof. Mustafa Çetiner

Acibadem Hospital

Prof. Meltem Kilercik

Acibadem University

Prof. Gülüöz Öztürk

Acibadem Hospital

09:30 - 11:15

Session 1: Diagnostics, Prognosis and Treatment Monitoring in ALL

Chairs: Prof. Cengiz Canpolat, Prof. Burhan Ferhanoğlu

09:30 - 10:00

● Diagnostic and Treatment Protocols in Pediatric ALL

Prof. Adalet Meral Güneş

Bursa Uludag University

10:00 - 10:30

● ALL in Adult Patients: Risk Assessment and Prognostic Factors

Prof. Dieter Hoelzer

University of Frankfurt

10:30 - 11:00

● Genetic Classification in ALL

Assoc. Prof. Emin Karaca

Ege University

11:00 - 11:15

Q&A

11:15 - 11:30

Coffee Break

11:30 - 12:15

Keynote Lecture

11:30 - 12:15

● Minimal Residual Disease Evaluation in Childhood Acute Lymphoblastic Leukemia

Prof. Brent Wood

Children's Hospital Los Angeles

12:15 - 13:00

Satellite Symposium

13:00 - 14:00

Lunch

ACIBADEM
UNIVERSITY

1st International Acibadem Hematoimmunology Symposium

from Diagnosis to Therapy

2-3 May 2024

Acibadem University, Istanbul

2 May, Thursday

- 14:00 - 16:15 **Session 2: Transplantation and Immunotherapy Approaches to Hematologic Malignancies**
Chairs: Prof. Gülyüz Öztürk, Prof. Mutlu Arat
- 14:00 - 14:30 ● **Impact of MRD Status in Patients Undergoing Stem Cell Transplantation**
Prof. Sinem Civriz Bozdağ
Kaç University
- 14:30 - 15:00 ● **Stem Cell Transplantation and Indications in Childhood Leukaemia**
Prof. Bülent Antmen
Adana Acibadem Hospital
- 15:00 - 15:30 ● **CAR-T/ CAR-NK Applications in Hematologic Malignancies**
Dr. Tolga Sütlü
Acibadem University
- 15:30 - 16:00 ● **Clinical application of CAR-T Therapy**
Prof. Ercüment Ovalı
Acibadem Labcell Stem Cell Laboratory
- 16:00 - 16:15 **Q&A**
- 16:15 - 16:30 **Coffee Break** 
- 16:30 - 18:15 **Session 3: Minimal Residual Disease: From Laboratory to Clinic**
Chairs: Prof. Ajlan Tükün, Prof. Didem Atay
- 16:30 - 17:00 ● **EuroFlow Next Generation Flow Cytometric MRD Assessment**
Dr. Juan F. Montero
Salamanca University
- 17:00 - 17:30 ● **Clinical and Prognostic Importance of New Generation Sequencing (NGS) and MRD Monitoring**
Dr. Ayşegül Öztürk Kaymak
NPG Aquarius Laboratory
- 17:30 - 18:00 ● **Clinical Significance of MRD in Leukemia Treatment Protocols**
Prof. Dr. Arzu Akçay
Acibadem University
- 18:00 - 18:15 **Q&A**
- 19:00 - 22:00 **Dinner**

ACIBADEM
UNIVERSITY

1st International Acibadem Hematoimmunology Symposium

from Diagnosis to Therapy

2-3 May 2024

Acibadem University, Istanbul

3 May, Friday

09:00 - 10:20

Session 4: Plasma Cell Diseases Session

Chairs: Prof. Sevgi Kalayođlu Beşişik, Prof. Tülin Fıratlı Tuđlular

09:00 - 09:20

● **Cytogenetic Abnormalities in Multiple Myeloma**

Assoc.Prof. M.Burak Durmaz

Ege University

09:20 - 09:50

● **Monitoring of Blood Circulating Plasma Cells in the Diagnosis, Risk Stratification and Treatment Monitoring of MM**

Dr. Juan F. Montero

Salamanca University

09:50 - 10:10

● **MRD's Importance in Multiple Myeloma through a Clinician's View**

Prof. Ömür Gökmen Sevindik

Medipol University

10:10 - 10:20

Tartışma / Soru-Cevap

10:20 - 10:40

Coffee Break

10:40 - 12:20

Session 5: Myelodysplastic Syndrome (MDS) Session

Chairs: Prof. Mustafa Çetiner, Dr. Tülay Tecimer

10:40 - 11:10

● **Molecular Pathways in Clonal Hematopoiesis**

Prof. Cengiz Yakıcıer

NPG Aquarius Laboratory

11:10 - 11:40

● **Aging-Related Diseases and MDS**

Dr. Ioannis Kotsianidis

Democritus University, Greece

11:40 - 12:10

● **MDS through a Pathologists View**

Assist.Prof. Derya Demir

Ege University

12:10 - 12:20

Q&A

12:20 - 13:00

Satellite Symposium

13:00 - 14:00

Lunch

ACIBADEM
UNIVERSITY

1st International Acibadem Hematoimmunology Symposium

from Diagnosis to Therapy

2-3 May 2024

Acibadem University, Istanbul

3 May, Friday

14:00 - 15:45

Session 6: Acute Myeloblastic Leukemia: from Diagnostics to Treatment

Chairs: Prof. Sami Kartı, Prof. Sema Anak

14:00 - 14:30

● Genetic Based Risk Assessment in AML

Prof. Nüket Kutlay
Ankara University

14:30 - 15:00

● Difficulties with Flow Cytometry for Monitoring MRD in AML

Assoc.Prof Klara Dalva
Ankara University

15:00 - 15:30

● Relapse/Refractory Disease Management in AML Patients Following Transplantation

Prof. Barış Malborá
Gaziosmanpaşa Hospital, Paediatric BMT Center

15:30 - 15:45

Q&A

15:45 - 16:00

Coffee Break

16:00 - 17:30

Session 7: Chronic Lymphocytic Leukemia Session

Chairs: Prof. Mehmet Turgut, Prof. Prof.Dr. Emel Ekşiođlu

16:00 - 16:30

● CLL Genetic Testing: Diagnosis and Management

Assoc.Prof. Kanay Yazarbaş
Sapiens Genetic Diagnostic Centre

16:30 - 16:50

● Immunophenotypic Classification of Mature B -cell Non-Hodgkin Lymphomas

Dr. Clare Weir
Sysmex Europe

16:50 - 17:15

● New Treatment Approaches in Chronic Lymphocytic Leukemia

Assist.Prof. Ant Uzay
Acibadem University

17:15 - 17:30

Q&A

17:30 - 18:00

Closing
