Technology Transfer Office

Acıbadem University Technology Transfer Office supports technology-based business ideas and initiatives that will contribute to the development of the healthcare sector. It provides support in the processes of learning, implementation, and business planning to help entrepreneurs turn their ideas and projects into reality.

For the business ideas and projects supported by the center, services such as training, academic and sectoral consultancy, office facilities, copyright support, prototyping support, and access to potential customers and business partners are offered.

By supporting initiatives on a national and international scale, it strengthens entrepreneurs in terms of sustainability by providing opportunities for entering foreign markets, meeting with investors, and reaching customers in Europe and the Far East.

BIODESIGN CENTER

Acibadem University Biodesign Center aims to be a pioneering hub that supports the creation of medical innovation value, which is essential for advancing domestic medical technologies in global competition, by ensuring interdisciplinary coordination, experience, and knowledge sharing.

It is a center working to increase efficiency in diagnosis, treatment, and care processes through medical innovation. Our center adopts a working approach that brings projects—emerging from the needs and ideas of academia, the healthcare industry, and the manufacturing sector—together with industrial design and various engineering disciplines to achieve results.

Projects accepted to the center are provided with support for medical instrument design and the development of innovative solutions in the field of healthcare.

Program Types

Learning Mobility

- Learning Mobility is when a student enrolled in a higher education institution carries out part of their studies at a partner higher education institution abroad through an inter-institutional agreement.
- Students in the first year of associate and undergraduate programs, as well as graduates, cannot benefit from learning mobility activities.
- Program Duration:
Minimum: 3 full months
Maximum: 12 months
 - For medical education, the maximum duration is 24 months.

Program Types

Internship Mobility

- Internship Mobility is an activity that allows a student enrolled in a higher education institution to receive professional training and gain work experience at a university, company, or organization abroad.
- Program Duration:
Minimum: 2 full months
Maximum: 12 months
- For medical education, the maximum duration is 24 months.

Application Requirements

- Being an associate, undergraduate, or graduate student in formal education
- Having a minimum GPA of 2.20 or above for associate and undergraduate students, and 2.50 or above for graduate students
- Having a course load equivalent to 60 ECTS for a full academic year or 30 ECTS for one semester in a two-semester academic year (not required for internships)

Selection and Placement

Selections are carried out separately for each mobility type by the Erasmus+ Commission within the quotas determined by faculties and departments.

Evaluation Criteria:

- Academic Achievement Level: 50%
- Foreign Language Proficiency: 50%

In addition to these criteria, the standards outlined in the annual program guide published by the European Union are applied.

Selection criteria, quotas, grants, and other necessary information are announced in the related application call.

Application periods are published on our university's website and also announced to students via email.

How can I access library resources online?

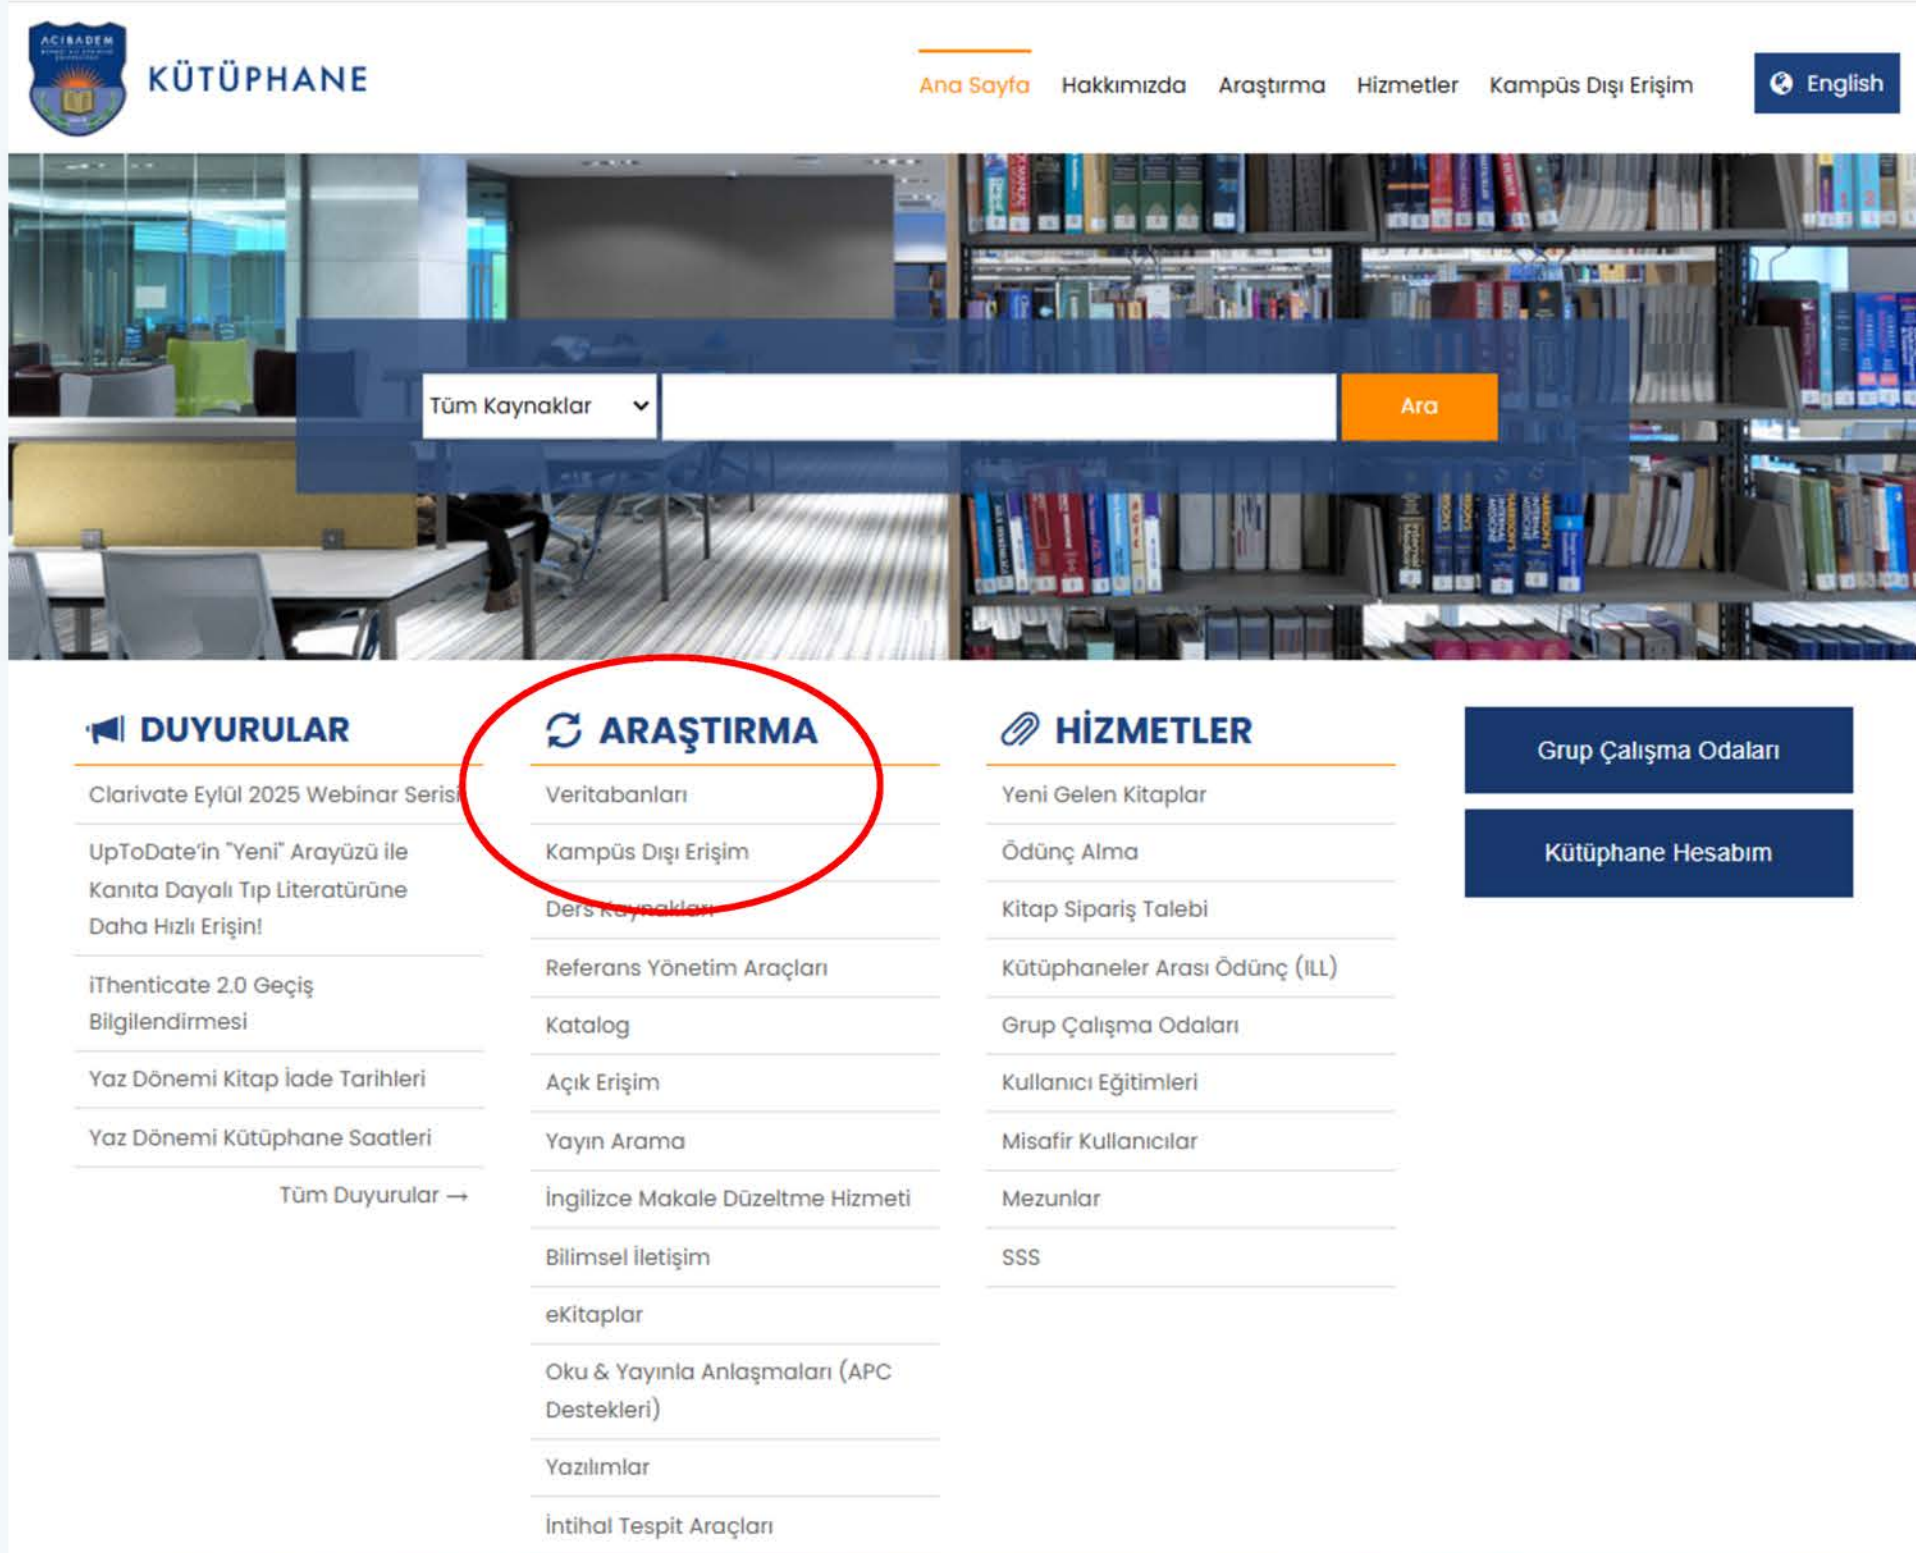

<https://library.acibadem.edu.tr>

The screenshot displays the Acibadem University Library website. The header includes the Acibadem logo, the word "KÜTÜPHANE", and navigation links: "Ana Sayfa", "Hakkımızda", "Araştırma", "Hizmetler", "Kampüs Dışı Erişim", and an "English" button. Below the header is a large banner image of a library interior with a search bar overlay. The search bar has a dropdown menu showing "Tüm Kaynaklar" and an "Ara" button. The main content area is divided into three columns: "DUYURULAR" (Announcements), "ARAŞTIRMA" (Research), and "HİZMETLER" (Services). The "DUYURULAR" column lists events like "Clarivate Eylül 2025 Webinar Serisi" and "UpToDate'in 'Yeni' Arayüzü ile Kanıta Dayalı Tıp Literatürüne Daha Hızlı Erişim!". The "ARAŞTIRMA" column lists services like "Veritabanları", "Kampüs Dışı Erişim", "Ders Kaynakları", "Referans Yönetim Araçları", "Katalog", "Açık Erişim", "Yayın Arama", "İngilizce Makale Düzeltme Hizmeti", "Bilimsel İletişim", "eKitaplar", "Oku & Yayınla Anlaşmaları (APC Destekleri)", "Yazılımlar", and "İntihal Tespit Araçları". The "HİZMETLER" column lists services like "Yeni Gelen Kitaplar", "Ödünç Alma", "Kitap Sipariş Talebi", "Kütüphaneler Arası Ödünç (ILL)", "Grup Çalışma Odaları", "Kullanıcı Eğitimleri", "Misafir Kullanıcılar", and "Mezunlar". On the right side, there are two buttons: "Grup Çalışma Odaları" and "Kütüphane Hesabım". The footer includes the Acibadem University logo and the text "ACIBADEM ÜNİVERSİTESİ".

Kütüphane Çalışma Odası Online Rezervasyon Sistemi

Kampüs içinde masaüstü bilgisayarları ya da kütüphanede bulunan bilgisayarları kullanarak <https://libroom.acibadem.edu.tr> adresine gidiniz.

BademNET kullanıcı adı ve şifrenizle oturum açınız.

"Rezervasyonlar" butonuna tıklayınız.

Rezervasyonlar 3 günlük süreyle açılmaktadır, bir kullanıcı bir günde en fazla 2 saat için oda ayırtabilir.

Saatleri seçtikten sonra "Create Booking" butonuna tıklayınız.

Rezervasyonunuz oluşturulduğunda ve onaylandığında e-posta ile bilgilendirileceksiniz.

Rezervasyon saatiniz geldiğinde kampüs kartınızı kütüphane bankosundaki görevliye teslim ederek odayı kullanabilirsiniz, odadan çıkarken kartınızı tekrar bankodan alabilirsiniz.

ACU kampüs kartı olmayan kullanıcılar rezervasyonları olsa dahi odayı kullanamazlar. Rezervasyon saatini 15 dakika geçirenlerin rezervasyonu iptal edilir ve oda diğer gruplara verilir. Süre uzatmak istediğinizde kütüphane bankosuna başvurunuz. Kütüphane görevlisi gerekli gördüğü halde düzeltme ve/veya iptal işlemi yapabilir. Oda rezervasyonu ile ilgili her türlü soru veya sorun için Kütüphaneci ile iletişime geçiniz.

What is WEBMAIL, and how do I use it?

<https://acibadem.edu.tr>

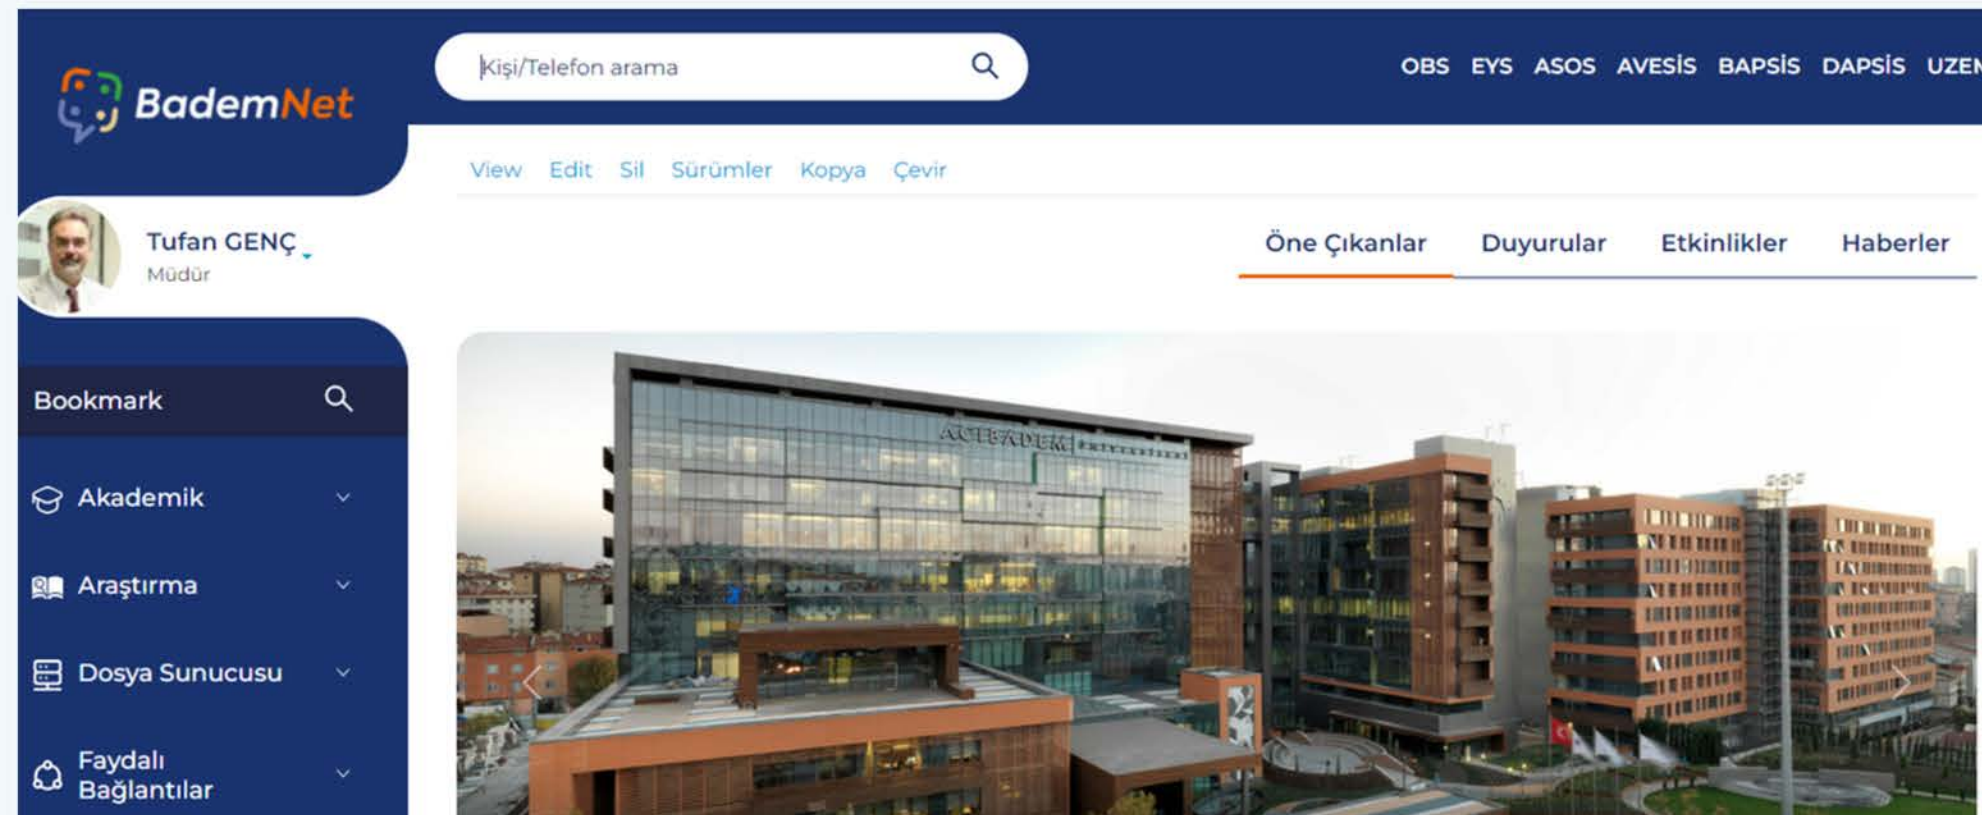

- Webmail is used for email communication between our students and the academic and administrative staff.
- For students who registered in person at the university, all information was provided in an envelope. For those who registered online, the information was sent via SMS.
- Students experiencing password issues can contact us by sending an email from their personal email address to bilgiislem@acibadem.edu.tr, including their full name, student number, and department.

What is BADEMNET?

<https://acibadem.edu.tr>

- BademNet is our university's internal communication portal, which you should closely follow throughout your academic life.
- Your BademNet login information is included in the envelope provided to you when you registered at the university.
- For students who registered online, this information has been sent via SMS.

How can I log in on the computers inside the campus?

Your login credentials are the user information provided to you in the envelope when you registered at our university.

For students who registered online, this information was sent via SMS.

Internet Access

- For on-campus internet access, you need to connect to the Wi-Fi network named Acibadem and register using your Turkish ID number or passport number.
- After completing the registration, you will be able to use the campus internet.

Relative Identification

- Our university's students and their relatives can benefit from discounted services at Acibadem Healthcare Group Hospitals.
- To benefit from the discount, you need to fill out the “**Relative Identification**” form available on the BademNet homepage.

2 Factor Authentication

- Your student emails use Two-Factor Authentication (2FA), which is an identity and access management method requiring two types of verification to access your emails.
- For your first login to the school-provided email address ad.soyad@live.acibadem.edu.tr, you will need to enter your password and verify the code sent to the Microsoft Authenticator app installed on your phone.
- You can download Microsoft Authenticator from Google Play or the App Store.

Part-Time and Semi-Time Working System

In accordance with the Principles of Employing Part-Time Students, our students can take on continuous, seasonal, or project-based duties within the university. They may also work in Acibadem Healthcare Group hospitals, affiliates, medical centers, and headquarters units.

Within the university, students may work part-time, while in hospitals or headquarters they may take on semi-time (half-time) roles.

Part-Time Work

- Part-time work is planned as 15 hours per week and 60 hours per month.
- The schedule is arranged according to the students' class timetables.
- Based on the needs of the units, the working system can be personalized, and the required qualifications for students may vary.

Semi-Time Work

- Semi-time (half-time) work is planned as 30 hours per week and 120 hours per month.
- The schedule is arranged according to the students' class timetables.
- Based on the needs of the units, the working system can be personalized, and the required qualifications for students may vary.

CAREER DEVELOPMENT OFFICE

Post-Graduation Employment Opportunities

Before or after graduation, alumni interviews are conducted by the Career Development Office, Administrative Recruitment, and Medical Recruitment teams. During these interviews, graduates are asked about their preferred fields of work and location choices.

In the event of open positions at Acibadem University, Acibadem Healthcare Group locations in Turkey and its affiliates, overseas hospitals, or headquarters departments, our graduates are given priority consideration and offered job opportunities.

To facilitate the recruitment process for our graduates, the Career Development Office shares open positions within the group and directs graduates to the relevant departments.
