Join a Meeting

Your Name

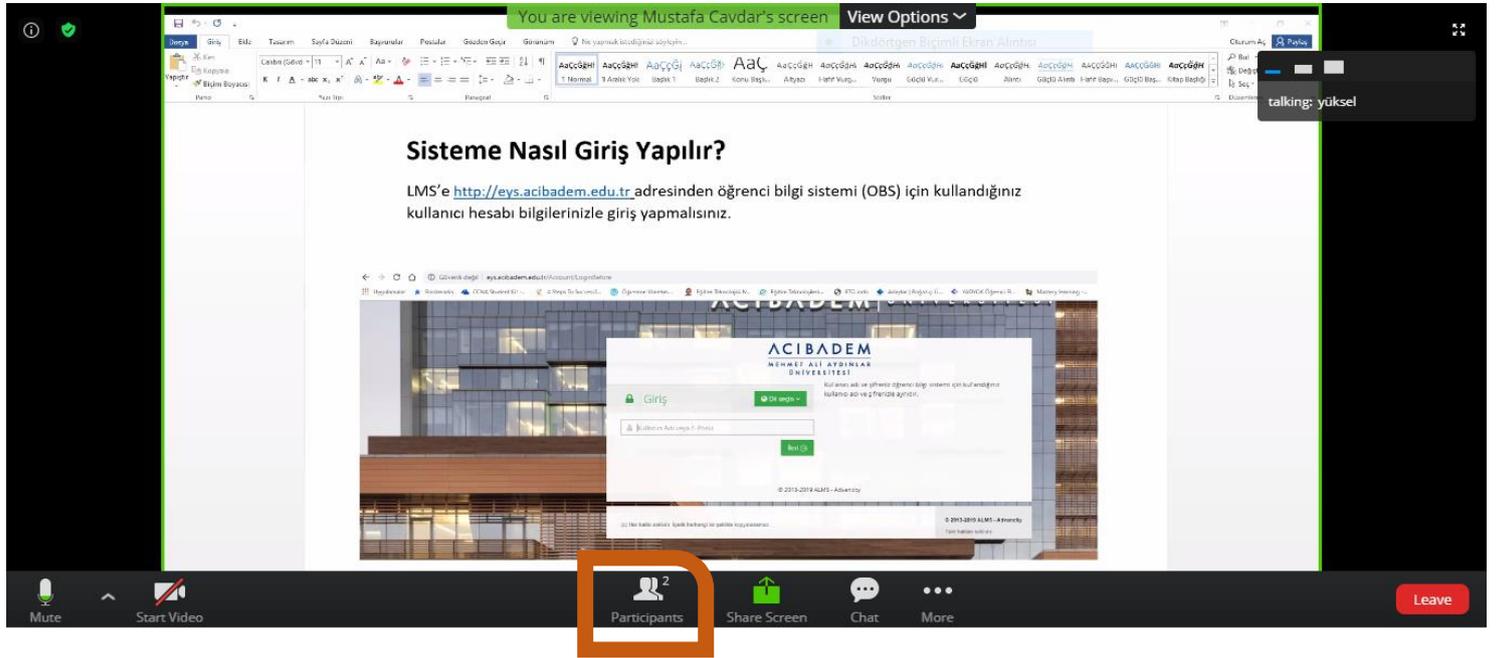

After log in, you need to click on the "Join Audio" button at left to hear what is spoken and share your own voice.

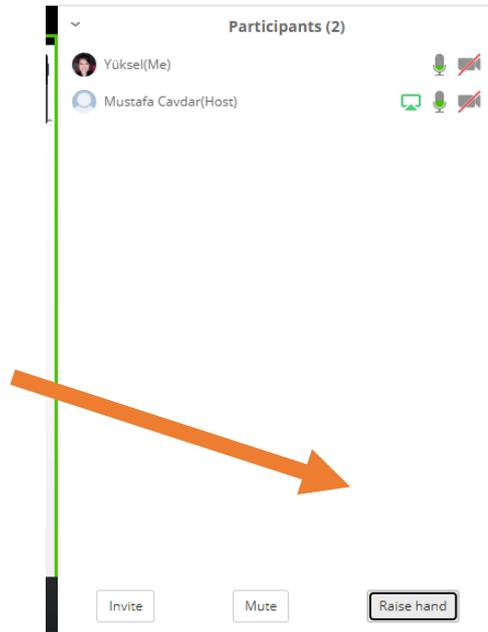

On the page that opens, you should click on the "join Audio by Computer" button again.

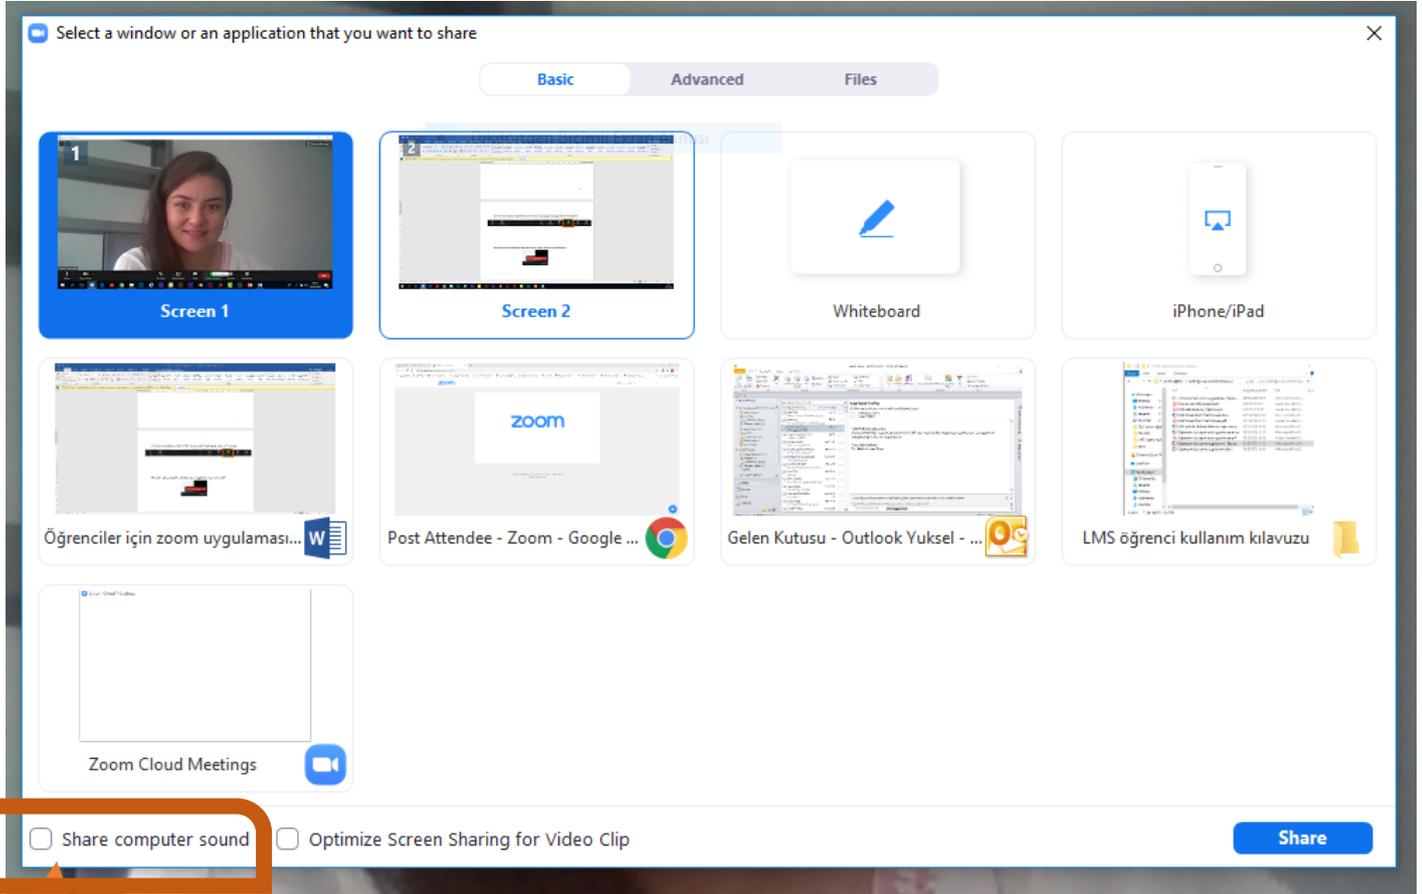

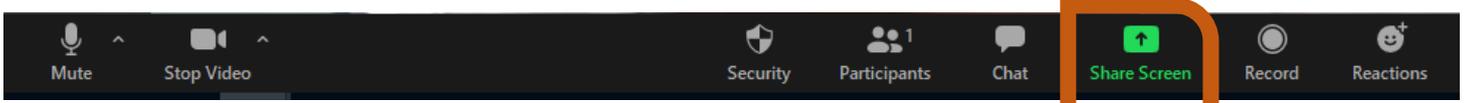

The image below shows the zoom interface. You can turn your voice and image on and off from the microphone and camera icons clicking left buttons. In the "Participants" section, you can see who is participating in the session. You can ask your questions by typing in the Chatbox.

From the "Participants" section, you can ask to speak by clicking on "raise hand".

In order for sharing your screen, your teacher must grant you co-host or host.

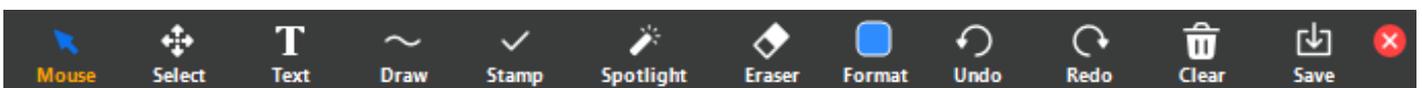

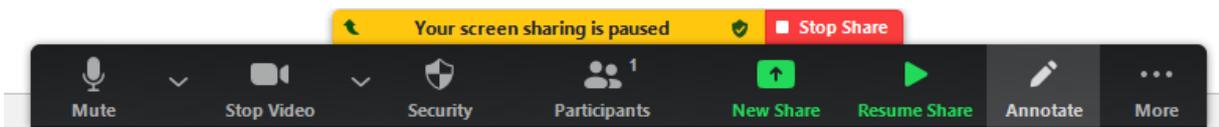

If you want to share your entire screen, click share screen, and then the apps that are open on your desktop and windows in the browser appear, as in the screenshot above.

If you want to share your entire screen, you must click "screen", and if you want to share any app, you should select the app you want to share and click "share".

If you are sharing audio and video, you must also share computer audio so that participants can hear the sounds in the video from the "share computer sound" at the bottom left.

After sharing the screen, you can type with a text or pen on the page, delete your changes, and take a screenshot using the "Annotate" tool from the tools at the bottom of the window. Just click the "Stop Share" button to stop screen sharing.

If you want to leave the session, you can use the "Leave" button which is at right bottom.
